

# Sheet Metal Fabrication & Precision Machining Capabilities >

**Priver corp.** prides itself with 30 years of metal stamping & tooling experience along with 12 years of server production experiences, setting itself apart by following rigid ergonomic and quality assurance guidelines.

## Tooling Center

- Metal tools 80 sets/mo.
- High-speed progressive Die 4400mm (L) x 1300mm (W)

## Stamping Capacity

- 100 sets stamping machines 6.5-ton to 600-ton
- 13 sets Robotic Arms

Robotic Arms For Stamping

NCT Puncher Machine

## Surface Treatment

- Automatic Liquid Coating
- Automatic Powder Coating
- Tunnel Cleaning (26M wide)

## NCT Machining

- PC and Server Chassis & Thermal Module
- NCT Process for High-Mix-Low-volume Orders
- Laser Cutting

Production Floor

Laser Cutting

Assembly Line

## Assembly Services

- Standard PC Tower Cases
- Server 1U - 7U
- Heat Sink Thermal Modules
- Plastic Parts
- Cable & Wire Harness

Assembly Line

CMM 3D Inspector

Production Floor

## Some of our customers:

**Priver** collaborates closely with customers to address the most challenging applications. From tooling design through final assembly we take care of your sheet metal stamping and custom precision machining needs.

### Sheet Metal Fabrication

- NCT Process for high-mix-low-volume
- Laser Cutting for precision machining
- Punching, bending, riveting, cutting
- Thermal Modules: PC/Server Cooler & LED heat sinks

### Tooling & Manufacturing

- In-House Tooling: 4 Tooling Masters
- Strong Design Team: 40 + Engineers
- Main Products: PC & Server Chassis, LCD Modules for TVs
- High-Speed Progressive Die

### Quality Assurance

- Certificates: ISO 9001 & 14001, Sony Green Partner, OHSAS 18001
- SQE -> IQC -> IPQC -> QA
- MIL-STD-1-05E II or -1916 Standards
- RoHS Analyzer, 3D CMM, 2.5D Projector

### Valued-added services:

- High-mix-low-volume
- Tooling & engineering design
- Assembly & module
- Quick-turn for new product introductions

### Industries We Serve:

- Computer & Telecomm
- Thermal Management
- Entertainment Industry
- EMS Contract Manufacturing

### Major Products:

- PC & Server Chassis
- Fan Cooler & Heat Sink
- Sheet Metal Parts (NCT)
- LCM & TV Components
